Babylon Falling and God's Heart for the Unborn

This last week something prophetically important happened in America with consequences for the fall of Mystery Babylon. The stark cruelty of new abortion laws (killing babies after they are born) became a wake up call for action across the political spectrum....and the Church.

Let me quickly give you the prophetic context I am going to refer to so you can understand the importance of a great shift that took place this last week.

As you know by now from my writings that I believe we are in a transitional period as a Church....and 'end time' for the oppressive "Mystery Babylon" of Revelation 18 that is riding herd over the nations...but a new dawn for righteousness and God's presence and power to fill all the earth. Basically bad news for Babylon....good news for the New Jerusalem...that is my tale of two cities!

Now here is my key verse for you to understand the importance of what is happening now in the abortion horror in America...and by projection everywhere else it is practiced. What is the driving force behind this evil?

For that I reference you to Rev.18:24 "***...in her was found the blood of the prophets and of the saints and of all who have been slain on the earth.***"

The "her" is the great whore riding and guiding and controlling the world empires called "Mystery Babylon". And in verse 2 it says of Mystery Babylon she is the "dwelling place of demons". Please refer to my article on "The Gate of the Gods"...Babylon as the gate of the gods who gain entry into this world to do through the ages and through those they control their plan for the destruction of every human being created in the image of God. And infanticide...the torture, molestation, abuse and killing of babies is top of their agenda throughout history.

Now the good news is that prophetically at some point the people of the world begin to realize that there is a hidden force behind the scenes that is driving this incredible lust for killing and destruction....and the rebellion starts against those controlled by these demonic forces....Revelation 18 says the beast turns around and starts tearing the whore 'Mystery Babylon' to pieces.

Well here is my take on last week in America. Two states in America, Virginia and New York passed legislation allowing for the killing of unborn babies right up to the full 9 months to right before they are born. Well then the debates started because it is difficult and very painful to kill a 9 month baby in the womb. What happens if the baby survives the attempt on its life and is born. So the governor of Virginia who happens to be a pediatric doctor tries to answer this question to the media that the law allows for after the birth the mother and the doctors can then decide on whether they want to kill the child or keep it alive.

The full horror of what is now law in two states in America started to finally sink in: Even after a child is born, a mother can decide whether she wants to kill her new born child or let it live.

The political backlash has been ferocious. Donald Trump in his State of the Union address mentioned how the lawmakers of New York state cheered and clapped after they passed this law. The Republicans cheered him, the Democrats sat silent....the polls after the address showed 78% public support for his speech. Governor Northam of Virginia in the meantime is being hounded out of office. See this article if you want read further on his travails:

https://www.americanthinker.com/articles/2019/02/virginia_governor_northams_samba.html

The important political magazine in America "The Federalist" has joined the fight with a hard hitting article *"Infanticide is the Historical Hallmark of a Pagan Culture: Judeo-Christian principles helped form our culture and Christianity is deeply pro-life. Until now restraining evil as Christianity defines it bound Americans together with a common creed"* Read the whole article here:

<http://thefederalist.com/2019/02/04/without-christianity-we-might-unthinkingly-return-to-the-infanticidal-cultures-of-yore/>

Donald Trump is going into the election of 2020 as the unlikely candidate for traditional American Christian values. The Democrats will be fighting for the right of a mother to kill her child after it is born. Don't be surprised if the most unlikely of outcomes is that Trump wins again because of the Christian values argument.

This last week those battle lines were starkly drawn by a Virginia governor who graphically explained how the new abortion laws will work. That governor is being hounded by the press and the people to resign (also over his racist past!)...he will not....and the controversy will rage until 2020 when the votes decide.

This is just one prophetic sign to me of the transition we are in. That whore "Mystery Babylon" who is responsible for the blood of all the slain of the earth, that evil will be exposed in all its forms and it will be conquered. This last week is just a small indication of the fight that needs to be fought.

God's Heart for the Unborn

My brother Johan who lives in Springfield MO. in America sent me a link to the sermon of their local Assemblies of God pastor preaching a great sermon **"God's Heart for the Unborn."**

Listen to it. If you don't have the time I am going to post below the sermon notes.
<https://jamesriver.org/sermon/gods-heart-unborn>

I am posting it because we have a battle here in South Africa against those same un-godly abortion laws in our country. Our parliament is planning on changing our Constitution to allow for the expropriation of property without compensation. If they are in the mood for re-writing the Constitution with new wording then what about

taking out the right to kill unborn babies! We Christians are the majority...where is democracy?

You need to be armed with the Word of God for this battle. So here below are some good study notes to arm you with the Word of God for this battle for the babies loved of God....

God's Heart for the Unborn

Recent New York Abortion Expansion Bill

1. Allows non physicians to perform abortions
2. Allows abortion up to the point of the delivery
3. Removes any protection for an infant who survives an abortion
4. Removes criminal penalties for the death of an unborn child

“the infant would be delivered, the infant would be kept comfortable, the infant would be resuscitated if that’s what the mother and the family desired, and then a discussion would ensue between the physicians and the mother. So I think this was really blown out of proportion.”

~ Virginia Gov. Ralph Northam

“we hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty & the pursuit of Happiness...”

~ The Declaration of Independence

Ecclesiastes 11:5 (NLT)

Just as you cannot understand the path of the wind or the mystery of a tiny baby growing in its mother's womb, so you cannot understand the activity of God, who does all things.

I knew you before I formed you in your mother's womb. Before you were born I set you apart and appointed you as my prophet to the nations.

Luke 1:39-41 (NLT)

A few days later Mary hurried to the hill country of Judea, to the town where Zechariah lived. She entered the house and greeted Elizabeth. At the sound of Mary's greeting, *Elizabeth's child leaped within her*, and Elizabeth was filled with the Holy Spirit.

2. God judges a people who pollute their land with murder.

Psalm 106:38 (MSG)

They slit the throats of their babies, murdered their infant girls and boys. They offered their babies to Canaan's gods; *the blood of their babies stained the land.*

Afterward the Lord asked Cain, "Where is your brother? Where is Abel?" "I don't know," Cain responded. "Am I my brother's guardian?" But the Lord said, "What have you done? *Listen! Your brother's blood cries out to me from the ground!*

3rd What should a person do if they have had an abortion, performed or assisted in abortions, have counseled someone to get an abortion, or have paid for an abortion?

4th What should our response be as believers?

Psalm 82:3-4 (MSG)

You're here to defend the defenceless...*your job is to stand up for the powerless...*

Proverbs 24:11-12 (NLT)

Rescue those who are unjustly sentenced to die; save them as they stagger to their death. Don't excuse yourself by saying, "Look, we didn't know." For God understands all hearts, and he sees you. He who guards your soul knows you knew. He will repay all people as their actions deserve.

Proverbs 31:8 (NLT)

Speak up for those who cannot speak for themselves; ensure justice for those being crushed.
