## Part 2 Shift of the Ages: Signs in the Heavens

When Jerusalem was destroyed the second time in 70 AD it was “end times” with signs in the heavens and on the earth. Once again we have signs in the heavens of a new “end times” and a shift of the ages. 8th of April 2024, what does this celestial event mean?

We have embarked on a series of “the endless growth of the Kingdom” with two implications tied into it.

The one is that the current prophetic narrative that the existence of the state of Israel from 1948 means that we are in the Biblical “end times” and we must prepare for some kind of apocalyptic end of Armageddon, or the Rapture or various other calamities is incorrect. We are not at the end. We are however in a phase change of the Kingdom of God. The other implication is that we need to start planning for a collapse of things that must collapse because they are built on sand and must make room for the endless growth of the Kingdom of God

At other times of great phase changes like from the Old Covenant to the New Covenant there were notable signs including not just scriptural signs but heavenly signs which Jesus warned about. So let me draw your attention to an interesting solar phenomenon that will occur which is very rare. On 8th of April there will be a total solar eclipse running across America. This is seven years after a similar total solar eclipse ran across America on 21 August 2017. But let me explain what is very strange about these two eclipses:

Here is the map of the path of the solar eclipse of 21 August 2017

Back in August 2017 people noticed something very strange about the path of the solar eclipse: From the place it enters America on the west coast it entered in Salem, Oregon and it exits across America in Salem, South Carolina. And in between it crosses over 5 other cities called “Salem”. Now from your Bible you should know that “Salem” in Hebrew is “Shalom” or peace.

So when it came to this year’s solar eclipse across America on 8th April they wanted to see are there any towns that the path of eclipse passes over that have the same name? And yes but a very strange town name: “Ninevah”! In fact 6 towns called “Ninevah”. And if you look at a map as on the previous page it forms a giant X over America and where the two cross in southern Illinois is an area called “Little Egypt”. I don’t know about you but my suspicion meter went high. First an emphasis of solar eclipse with “Salem” and then seven years later a solar eclipse with “Ninevah”? What could all this mean if anything?

Let me give you my take on this. I have not read anyone in America yet who have an idea about an interpretation so let me try my own. But within my context of how I understand where we are at prophetically for the church and the world and you know by now I don’t agree with the current “end time” theology.

A total solar eclipse is very rare. This happens when the moon passes in front of the sun in such a way that the moon blots out the entire sun so that it is dark on earth for that part of the path of the eclipse. Other parts will only see a portion of the sun blocked out. So when scripture talks about the sign of “the sun and the moon shall be darkened” it means the moon obstructs the whole sun and the moon we see is also totally dark because the other side of the moon gets all the sunshine.

It is scripturally sound to think that there are times when God wants to send a message to earth He can use heavenly phenomena to do so.

**Gen 1:14** *And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years*

We know about using the sun to calculate days, years and seasons....but we can also use the sun and stars for "signs". We just need to be careful about what we "read" into those signs.

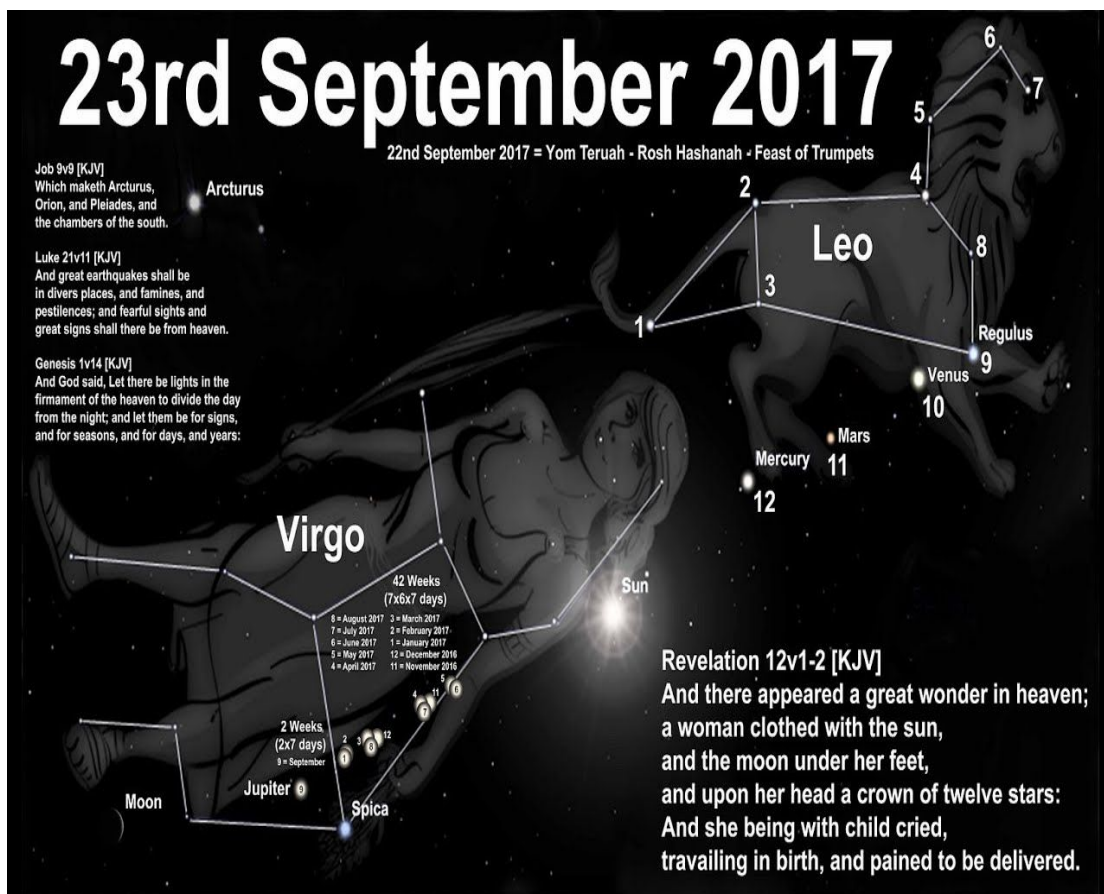

In Luke 21 and Matthew 24 Jesus warned the disciples of the coming "Great Tribulation" when Jerusalem will be judged and surrounded by armies and the temple and the city will be destroyed. He gave political signs of nations in conflict and war but He also said there would be signs in the sky....

**Luk 21:11** *And great earthquakes shall be in divers places, and famines, and pestilences; and fearful sights and great signs shall there be from heaven.*

**Luk 21:25** *And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;*

**Mat 24:29** *Immediately after the tribulation of those days shall the sun be darkened, and the moon shall not give her light, and the stars shall fall from heaven, and the powers of the heavens shall be shaken:*

But signs in sun and moon were not the only signs in the sky in 2017. On September 23, 2017 there was a great conjunction of two constellations of Virgo and Leo with the sun and moon and planets so aligned to fulfil the prophecy of Revelation 12:1-2 which alignment of stars and planets can only occur in 6000 years:

So that sign appeared in 23 September 2017. And by the way it is difficult to see on the picture I posted but in the top left hand corner there is written next to a star there its name "Arcturus". This is what scripture has to say about the star Arcturus:

**Job 38:32** Canst thou bring forth Mazzaroth in his season? or canst thou guide Arcturus with his sons?

Mazzaroth is the Zodiac of the constellations which begins with Virgo and ends with Leo the lion. Which is why the study of the Zodiac is fascinating as the story of the gospel starting with the Virgin Birth (Virgo) and ends with Christ as the Lion of Judah (Leo). This alignment of stars on 23 September 2017 was the guiding of the Mazzaroth (the Zodiac) and Arcturus and its sons (the stars and the planets) to send a sign....it is time!

Time for what? Time for the rest of Revelation 12 to be fulfilled.....

**Rev 12:7** *And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels,*

**Rev 12:8** *And prevailed not; neither was their place found any more in heaven.*

**Rev 12:9** *And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with hi*

So there was war in heaven and something cast of the heavens that would deceive the nations...

What happened in December of 2017 that shook the nation and caused great consternation?

The most important newspaper in the world is the New York Times, that the US government and especially the American CIA uses to leak important stories to. This was the amazing story of December 2017.....

## **On the Trail of a Secret Pentagon U.F.O. Program**

By [Ralph Blumenthal](#) Dec. 18, 2017

*Our readers are plenty interested in unidentified flying objects. We know that from the huge response to our front-page Sunday article (published online just after noon on Saturday) revealing a secret Pentagon program to investigate U.F.O.s. The piece, by the Pentagon correspondent Helene Cooper, the author Leslie Kean and myself — a contributor to The Times after a 45-year staff career — has dominated the most emailed and most viewed lists since.*

*So how does a story on U.F.O.s get into The New York Times? Not easily, and only after a great deal of vetting, I assure you.*

So what do I make of when God sends a dual message through the sun and the moon being blacked out over America and forming a cross with its path and doing such a very rare celestial event 7 years apart?

What is the message of "Salem" or "Shalom" meaning peace?

Well in Deuteronomy 20:10 God told Israel this is what you must to do before you declare war....

**Deu 20:10** *When thou comest nigh unto a city to fight against it, then proclaim peace unto it. And if that nation does not respond with peace then 7 years later send another message.....*

**"Ninevah"** *Jonah's warning now it is time for judgment and destruction.*

Since 2002 America has been on a rampage of death and destruction blowing up the world and causing divisions, assassinations, government changes, military invasions, bombings, arming and financing terrorists and all this since 1991 after the fall of communism when there should have been peace and development and cutting back on military spending, armaments, military bases.

And here in South Africa what happened also in 2017.....

In 17 April 2017 Bro Angus Buchan led a mass gathering outside of Bloemfontein of what some estimated was a million South African of all races to pray for 2 Chrin 7:14....”If my people will pray....”

The theme was “It is Time”. I agree it is time.. But it is not the “end times” that the church is preaching.

It is an “end times” for those nations and economies and ways of doing things that hinder the manifestation of the Kingdom of God on earth. God’s message of Salem-Shalom means the Lord wants peace on earth...the wars must stop and those pushing and financing wars. Nations must learn war no more says Isaiah 2.

And the message of “Ninevah” on 8th April means warning, it is either time for nations to repent and turn to the Lord or it is time for judgment.

The question we will explore from reading the signs off the times and the scriptures of the prophetic destiny of the Kingdom of God and of Southern Africa...what is it time for? What is the time for the Church, for Southern Africa, for the world economy, for the nations, for you and I?
